Robert, Miss you so much already! You have no idea how much you were loved and cherished. Really going to miss our conversations and all of the fun we had. I know you are walking around with that Mink coat on in heaven. We laughed so hard that nite at work. May God bless you and your family. You are in the arms of your mother and I know that was a joyful reunion for you. Love ya kiddo. Just wish you were not gone.

Julie Armstrong

Robert, while there are no words that can express what you mean to me, always know that I will think of you and miss you daily and your passing has left a void that will never be filled. Rest in peace my friend. Julie "Mourning is love with no place to go...." -anon.
